DETAILED ACTION

Response to Arguments

1. Applicant's arguments, see Arguments, filed August 25, 2008, in response to the Final Rejection mailed July 16, 2008 have been fully considered and are persuasive. The rejections of claims 1 and 4-15 have been withdrawn.

Allowable Subject Matter

2. Claims 1 and 4-15 are allowed.
3. The following is an examiner's statement of reasons for allowance:

As to claim 1, the prior art does not teach or suggest an integrated circuit package for an image sensor chip, the image sensor chip including a sensor area for sensing incident light and a circuitry area, the package comprising:

- a substrate including a first surface for receiving an image sensor chip and a second surface having an array of contact terminals formed thereon; and
- a heater element having a first terminal and a second terminal coupled to a first contact terminal and a second contact terminal, respectively, of the array of contact terminals, the heater element being positioned on the first surface of the substrate and directly underneath the sensor area of the image sensor chip to be assembled in the package, the image sensor chip to be placed directly on the heater element,

Art Unit: 2622

- wherein the heater element provides heating of the sensor area of the image sensor chip when a first voltage is applied across the first contact terminal and the second contact terminal; and
- **wherein the image sensor chip is attached directly to the heater element and the first surface of the substrate using an epoxy glue so that the heater element is sandwiched directly between the sensor area of the image sensor chip and the first surface of the substrate to provide direct and localized heating of the sensor area of the image sensor chip.**

Claims 4-15 are allowed as being dependent on independent claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
